Enjoy the Wonder of Winter at Assiniboine Park!

Winter might be here, but that doesn't mean the fun has stopped! Take a stunning stroll through a snow-covered forest, sipping hot chocolate as you watch for wandering wildlife around every corner. Or head to the Zoo, where our animals are still enjoying themselves, even though it may be a bit colder. And if your kids are looking for an exciting time, head on over to our Toboggan Run or take a skate on the Duck Pond — you may even find yourself spending all afternoon!

Visit assiniboinepark.ca and assiniboineparkzoo.ca for all of Assiniboine Park's great winter events and attractions!

A MESSAGE FROM THE PREMIER

I am pleased to invite you to discover the magnificence of our prairie province with the essential 2011 Manitoba Travel Guides.

Throughout the year Manitoba offers a multitude of experiences. With a mixture of forest, tundra, grasslands and wetlands, our province's wilderness will thrill even the most skilled explorer. Our town and city centres are vibrant with an extraordinary assortment of music, international cuisine, cultural events and visual arts. From the heart of Winnipeg, our capital city, to every corner of our great province, there is truly something for everyone to discover.

We are proud of our history and heritage, our remarkable geography and our vibrant communities. I invite you to come and discover the adventure and splendor that is Manitoba.

MESSAGE DU PREMIER MINISTRE

Je suis heureux de vous inviter à découvrir les attraits de notre province des Prairies grâce au Guide de Voyage Manitoba 2011.

Tout au long de l'année, le Manitoba offre une panoplie d'expériences. La nature sauvage de la province composée de forêts, de toundras, de prairies et de terres humides émerveillera même l'explorateur le plus habile. Nos centres ruraux et urbains dynamiques proposent une scène musicale, une cuisine internationale, des activités culturelles et des arts visuels. Depuis le cœur de Winnipeg, notre capitale, jusqu'à chaque coin de notre superbe province, il y a vraiment de quoi pour tous.

Nous sommes fiers de notre histoire et de notre patrimoine, de notre géographie remarquable et de nos collectivités fécondes. Je vous invite à venir goûter à l'aventure et à la splendeur qui caractérisent le Manitoba.
